**Author Captivates Readers about the Amorphous Art of Love**  
*Poetic anthology is a savory feast of intense senses with sensuous intimacy.*

SUGAR LAND, Texas, America and SASKATOON, Saskatchewan, Canada – From author Raymond Douglas Chong appears *Orchid Flower Love Poetry: Amorous Moods of Sensuous Passion*, a poetic anthology that converge on erotic allure of love.

*Orchid Flower Love Poetry: Amorous Moods of Sensuous Passion* is the romantic gems of eclectic poetry by Raymond Douglas Chong. His moody love poetry amorously covers ecstasy, angst, and caprice. His lyrical verses sensitively describe love in an authentic way, with idiosyncratic reality and ingenious creativity. They are in the context of an orchid flower, a traditional Chinese motif for delicate beauty. The poems are passionate yearnings with vibrant and vivid lyrical imagery of love. Their scope includes the peaks and the valleys of the amorphous art of love. In sensuous passion, they will intimately connect his heart as poet with your heart as a reader.

*My love poems are a fusion in sentimental desire of American and Chinese cultures. They are meant to richly convey the intense senses of bouquet, sight, touch, sound, and taste, with sensuous intimacy. They reflect my Chong legacy in America and my Zhang ancestry in China with subliminal subtlety.*

## *We Are In Absolute Ecstasy*

*At our very first moment  
My zesty eyes glimpse you  
An exquisite woman  
With florid elegance.*

*As I gaze deeply into  
Your tawny almond eyes  
My ravenous heart  
Strokes your sensuous core.*

*As I deftly caress  
Your willowy supple veneer  
My virile desire  
Enflames your carnal essence.*

*As I amorously kiss  
Your luscious crimson lips  
My lusty passion  
Savors your succulent soul.*

*During our rapturous occasion  
As you and I torridly intertwine  
In clouds and rain  
We are in absolute ecstasy.*

*Raymond Douglas Chong*

## Reviews

### ***Our Most Cherished and Most Primal Emotions – Love***

*Though the ages, poetry had been created to evoke emotions... through the clever crafting of words. Raymond D. Chong's new book, Orchid Flower Love Poetry, a descriptive collection of words reflects why poetry will always be the language of love. His eloquent choice of words and sensitive descriptions readily takes the reader into a vivid and sensual world of love and passion. One cannot help but to smile and reflect on the wonderfully delicious words crafted by Chong. His collection of lyrical verses embraces our most cherished and most primal emotions – love. In this busy world of ours, it was so wonderful to read Orchid Flower Love Poetry, to pause, to reflect and to reconnect our hearts to past loves. Thank you Raymond for evoking such strong, intimate, and wonderful emotions for me.*

### ***Ambitious Collection of Love Poems***

*Orchid Flower Love Poetry – Amorous Moods of Sensuous Passion is an ambitious collection of love poems from the poet to his ancestral home, China, as symbolized by a mysterious and sensuous mystery woman. I hope to see more by Poet Raymond Chong!*

### ***Poems to Leave You Breathless***

*Raymond Douglas Chong is a poet I'm familiar with as I read his first book of poems after looking through literally thousands of books of poetry. When I read his poems I feel compelled to read them again and again. His descriptions of desire are so vivid it literally leaves you breathless. He is able to be subtly erotic without being offensive. His evocative words beg to be read over and over again. These are some of the most romantic and sensual poems ever written in the English language. In fact they have a beauty about them that is modern and ancient all at once.*

*Most of these poems are about passion and forbidden love although there is an entire section of poems written after love is lost. Perhaps they are a warning of the price you pay when you enter into such hedonistic pleasure without a firm commitment.*

*These poems are about passion through the seasons, moments of ecstasy and an outpouring of romantic dreams. If a man wrote you these poems you would die from happiness. Who is this woman who inspires such devotion? How mysterious she is as she weaves in and out of these blissful moments.*

~ The Rebecca Review

### ***Beauty in Motion***

*The poetry in this book really opens up to you as you read and visually place yourself in time and space. I found that I was living through my past loves and heart breaks but always in the end feeling full of hope and promise. I would suggest not only adding this to your personal collection but sharing this with others.*
